ABOUT

P&L owner of a $150M+ GMV B2B platform with 10+ years scaling 0-to-1 digital platforms across FMCG, marketplace technology, and financial services in LATAM and Europe. Led cross-functional teams of 17, drove BEES Peru to #1 in adoption at AB InBev's global network, and launched BNPL, subscription, and loyalty products that scaled customer profitability, growing managed EBITDA by 40%, from $3M to $4.2M.

Cross-industry platform operator: B2B digital trade, marketplace economics, retail banking profitability, and subscription commerce. Hands-on operator of generative AI, LLMs, and agentic frameworks. IESE MBA. Trilingual: English (bilingual), Spanish (native), and Portuguese (B2).
